We are filing this supplement to supplement and amend, as of October 4, 2022, the prospectus to increase the maximum aggregate offering price of our common stock that may be offered, issued and sold under the Sales Agreement. Accordingly, we may offer and sell shares of our common stock having a maximum aggregate offering price of up to \$3,500,000 from time to time through the Sales Agent, acting as our sales agent or principal in accordance with the Sales Agreement. As of the date of the filing of this supplement, we have sold 1,949,478 shares of common stock covered by the prospectus supplement pursuant to the Sales Agreement for gross proceeds of \$798,105.79. Therefore we may sell up to an additional \$2,701,894.21 shares of common stock pursuant to the prospectus supplement. This supplement supersedes and replaces in its entirety the supplement filed on October 4, 2022.

Our common stock is traded on the Nasdaq Capital Market, or Nasdaq, under the symbol “CRKN”. On October 4, 2022, the closing sale price of our common stock on Nasdaq was \$0.192 per share.

One-third of our public float, calculated in accordance with General Instruction I.B.6 of Form S-3 as of October 5, 2022, is equal to approximately \$4.6 million. We have sold 3,199,479 shares of our common stock, raising gross proceeds of \$1,798,105.79, pursuant to General Instruction I.B.6 of Form S-3 during the 12 calendar months prior to and including the date of this prospectus supplement.

Sales of shares of our common stock under the prospectus supplement, if any, may be made by any method deemed to be an “at the market offering” as defined in Rule 415 under the Securities Act of 1933, as amended (the “Securities Act”).

The Sales Agent will be entitled to compensation under the terms of the Sales Agreement at a commission rate equal to 3.0% of the gross sales price from sales of shares under this offering. We will use the net proceeds from any sales under the prospectus supplement as described under “Use of Proceeds” in the prospectus. The amount of proceeds we receive from sales of our common stock, if any, will depend on the number of shares actually sold and the offering price of such shares.

In connection with the sale of common stock on our behalf, the Sales Agent will be deemed to be an underwriter within the meaning of the Securities Act, and its compensation as the sales agent will be deemed to be underwriting commissions or discounts. We have agreed to provide indemnification and contribution to the Sales Agent with respect to certain liabilities, including liabilities under the Securities Act.
